**Hon. Shri. Padmakar Mulay**  
Secretary,  
CSMSS Sanstha

**Hon. Shri. Shrikan Deshmukh**  
Administrative Officer,  
CSMSS Sanstha

**Prof. Ganesh B. Dongre**

Dear students and parents, I am extremely sanguine and profoundly privileged to head this great institution while celebrating 10 years of successful journey.

First of all I extend my warm greetings and felicitation to all inmates to college through "Technovision-2020" and feel immensely happy to salute the creativity and aesthetic sensibilities of the young minds. The techno vision-2020 chronicles the vast spectrum of scholastic and non-scholastic activities carried out at the college for all round personality development of young learners. It also exposes its achievement in various spheres and thus exhibits the endeavor made by the institute and faculty for attainment of objectives and social goal. It is an ideal platform for the credits to express the experiences, views and literary skills besides developing creativity amongst them.

I congratulate the staff and students of all the faculties who used various mediums of expression to present their ideas for bringing Techovision-2020. I appreciate every student who shared joy of participation in co-curricular and extra-curricular activities with their commitment to curriculum.

I wish all the best!!

**Prof. Ganesh B. Dongre**  
(Principal)

**Electronics and Telecommunication Department**

**H.O.D. Desk:**

Welcome to the Department of Electronics & Telecommunication Engineering at CSMSS college of Polytechnic, Kanchnawdi, Aurangabad, Maharashtra state. The Department was established in the year 2009 with the intake capacity of 60 students.

**Prof. M. D. Narangale**

We try to train and empower our students who will make the world a better place by using power of engineering principles, techniques and systems.

The Department got accredited by ISO 9001-2000 in the year 2013, also the excellent grade by the M.S.B.T.E. Board Mumbai. The Department is having good infrastructural design, well equipped laboratories & Hi-Tech computers with high speed internet and high qualified faculties. Electronics and Telecommunication engineering is a dynamic and exciting area that provides excellent career opportunities in various fields of technology. The department faculties are committed to teach our students the fundamental concepts and the latest trends using smart teaching and learning process. The departmental staff is having their own YouTube Channel of the practicals which is to be conducted in the curriculum. The department is also having the facility to watch the MOOCS

## EXPERT LECTURE
